

### REMARKS

In the Notice of Allowability attached to the Notice of Allowance issued on September 9, 2003, Claims 1-30 were indicated as allowed. The Examiner is sincerely thanked for that indication.

The Examiner's Amendment attached to the Notice of Allowability states that page 16, line 8 of the specification has been amended to insert --into a solid state polymer film-- at page 16, line 8, after the word "dried". However, Applicants note that the word "dried" appears at page 16, line 2 of the specification. Accordingly, this Notice of Allowance is filed to correct that discrepancy.

The proposed change is supported in the specification as originally filed, at least at page 12, lines 2-3, from page 15, line 22 to page 16, line 1, and in embodiments 1-6.

This Amendment After Allowance merely proposes a change that was suggested by the Examiner in a telephone conversation with Applicants' undersigned representative on September 4, 2003. Accordingly, entry of this Amendment After Allowance is respectfully requested.

Applicants' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our address given below.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "Frank D. Harper", is written over a horizontal line.
